Dear Sir,

Re: Policy No- 46796

Sub—Withdrawal of GSLI Scheme.

We would like to inform you that as per direction of IRDA all old group products including GSLI scheme have been withdrawn. The regulation from IRDA do not allow enrolling new members in the existing scheme. Thus new members can be enrolled only in new GSLI scheme once it is launched. New products for all our other group products are already in place. GSLI is yet to come and we will inform you as soon as it is launched. As such regarding adding new members to GSLI scheme, we want to clarify as follows:-

Any new member whose joining date to scheme is after 01-09-2013 shall not be enrolled under your existing scheme. We will inform once the GSLI scheme is relaunched and these employees may be covered at that time.

Thanking You,

Yours Faithfully
