Subject : Additional Funding of Dr Devraj Seth & Smt Sushila Seth for girls post graduate studies.

Dear Dr Tyagi,

I am an alumni of Delhi University, I had set up a rolling fund to give scholarships in memory of my parents named Dr Devraj Seth and Smt Sushila Seth for girls to pursue post graduate studies, on the basis of merit cum poverty in employment oriented subjects.

I was supposed to get an annual report of the rolling fund on the number of students covered under the field of speciality, I would like to know how the fund worked in the last few years or would you like to change anything in the selection procedure of the scholars or composition of the selection committee or the quantum of scholarship given to each girl. Kindly let me have this information within a week also, for further donation to this fund.

With kind Regards

Dr Mira Set
